Story Telling in American Corner Surkhet

The American Corner Surkhet hopes that through exposure to storytelling, Children will be encouraged to read and to use the library. Since 2012 the American Corner Surkhet in coordination with various public schools have worked together to offer students the opportunity to participate in the Storytelling Program through AC-Child Club.

On 24th September 2016, as a regular program with new children of AC-Child Club, We had a Story telling program in AMC. This program was divided into three session introduction, book reading & story telling. During the interaction session AC-Staff help to introduced new participant with old one and made a friendly environment. They had read short scholastic story books like Rapunzel, Fairy Tales, Folk Story, Ghost Story and many others according to their interest.

Children are actively participated in the story telling program ; Here they are sharing their reading story books with their friends. Children itself share and listen story and practices to made new one.

Highlight of the Month

Cultural Sharing Program : Cultural Sharing Program is one of the most adorable programs of AC-Surkhet. In the cultural sharing program we exchange American culture to Nepali and Nepali culture to American.

Library Visiting Program : Library Visiting Program is the program where we welcome (invite) public schools, colleges and university's students to visit American Corner Surkhet. Here we share the objective of American Corners and also promote AC-Surkhet to the general public

Translation activities in AMC : English Translation Activities is the program where AC-Staff and English Teacher helps students to translate English word into Nepali and Nepali words into English. Here in the program the participant read Nepali short story books and translated it in English and shared the story to the friends.

CULTURAL SHARING PROGRAM

Cultural Sharing Program is one of the most adorable programs of AC-Surkhet. In the cultural sharing program we exchange American culture to Nepali and Nepali culture to American.

On 3rd September 2016 on the auspicious occasion of Teej festival in a close collaboration with AC-Child Club we had a Cultural Sharing program with PCVL Steven Foshier at AMC. Through this program AC-Child Club members brief the important of Teej festival in Nepal especially for the women. How this festival is celebrated by Nepali women, how women express their pain to their own by the medium of the Songs which is called Teej's Song. The important of songs and dance during the Teej.

To give the brief introduction of Teej festival student sing Teej songs & dance too, it gave a lot of pleasure to our special guest Mr. Foshier. Through this program, Mr. Foshier closely got chance to know about the Nepali festival Teej and its important to Nepali culture.

LIBRARY VISITING PROGRAM

This is the program where we welcome (invite) public schools, colleges and university's students to visit American Corner Surkhet in collaboration with their school's administrator. Here we share the objective of American Corners and also promote AC-Surkhet to the general public

On September 2nd & 9th 2016 American Corner Surkhet welcomed the students from Kopila Valley School (KVS) for the interaction and Library visiting program. This visiting program was formally scheduled by AC-Staff in a close cooperation with KVS's administration. During their visit students closely got chance to know the facilities given by AMC to the students, they enjoyed reading books, using computers and familiar with different electronic media.

AC-Staff facilitated them to work out their school's project works in the library. This program let them know the adorable programs of AMC-Surkhet like AC-Child Club, AEMC (American English Movie Club) , AECC (American English Conversation Clubs) and so on.

English Translation Activities in AMC-Surkhet

One of the participant share her story during story telling and conversation program.

On 25th May 2015 ,We celebrated the Memorial Day by organizing a small presentation program at American Corner Surkhet. We had 30 students from Supreme Academy to participate the event. The program was hosted by Susmita Giri (member of speaker club of Kathmandu University).

During the presentation she spoke for important of giving honor and respect to the soldiers who are spontaneously working for the nation and people. While commemorating the Memorial Day we did one minute silence to give tribute to those soldiers who lost their lives in the war.

Some particular place during the program Memorial Day Celebration, Ms. Susmita Giri is giving her presentation for important of giving honor and respect to the Soldiers.
